Dear Mr Eastwood,

Thank you very much for getting in touch at the time of my birthday and for your good wishes. It is much appreciated.

Thank you also for updating me on what's been happening at the Jonas Centre during the Covid-19 pandemic.

It is most impressive and heart-warming to hear about the way in which you have adapted the Centre to provide a lifeline for the homeless in Richmondshire while your normal service is curtailed by virus restrictions.

I would like to thank you for the help and hope you have provided to the most vulnerable during the pandemic.

It is such acts of kindness that have helped the nation make the significant progress achieved so far in beating the virus and makes me so very proud to represent this special part of North Yorkshire.

Kind regards,
